Looking for a multifunctional stand for your next event that is easy and quick to erect? Then look no further because Chalet Events has exactly what you have been searching for.

BARN DOOR CHALET | 3M X 2.5M

The Barn Door style Chalet is certainly our most flexible and popular option. The doors can be shut throughout the hire period to display and sell products or kept open when you need a larger space.

MINI CHALET | 2.2M X 1.6M

Don't let the name of this Chalet fool you, this surprisingly spacious mini Chalet has plenty of room for everything you need.

CHALET XL | 5M X 4.5M

Our Chalet XL is the size of 4 of our Chalets combined with no interior restrictions - used for reception spaces, workshops and bars.

COUNTER CHALET | 3M X 2.5M

Just like our Barn Door, these Chalets are the ideal way to display and sell your products (with a small ledge to hold your condiments).

LINKED CHALETS | 6.3M X 2.5M

Our standard sized chalets can be linked together to provide a flexible and versatile space to meet your needs.

THE FOUR WAY | 6.3M X 5.3M

Linked Chalets at the front and the back - taking the Chalet formation to new levels and maximum use.

ROOF MIDDLE TERRACE & ROOF FRONT TERRACE

Ideal as an entrance to the Chalets, a covered area for cooking under or to house mobile food outlets - the possibilities are endless.

CASE STUDIES:

THE ROYAL HORTICULTURAL SOCIETY'S GARDEN AT WISLEY

Wisley is a large and diverse garden covering 240 acres. In addition to numerous formal and informal decorative gardens, several glasshouses and an extensive arboretum, it includes small scale "model gardens" which are intended to show visitors what they can achieve in their own gardens, and a trials field where new cultivars are assessed. We have been working at Wisley since 2015, providing chalets for their Festival of Trees, Taste of Autumn and Glow events.

"Tents and Events have been wonderful to work with on many occasions at RHS Garden Wisley especially for our WoodFest and Taste of Autumn Food Festival. The wooden chalets fit perfectly with our beautiful garden and exhibitors are always happy with the space available. The team at Tents and Events are very accommodating and the staff onsite for the build, as a complex site are very understanding, flexible and caring to the surrounding environment. I would recommend using this lovely company who are always happy to help and a pleasure to work with."

CASE STUDIES: WADDESDON MANOR

In 2016 Chalet Events provided 66 chalets to Waddesdon Manor- we were even featured on Kirsty Allsop's Homemade Christmas! This year, our 4th year of providing chalets at Waddesdon, we are supplying 80 chalets and the event is going from strength to strength. No wonder, as it is a fantastic setting for a magical Christmas Market that will leave you full of yuletide cheer!

"We have worked with Chalet Events for the past 3 years for our Christmas Fair and find them an excellent company to deal with. From initial quoting all the way through to installation and then removal the support from the whole company is first class. Having just finished another month long Christmas fair I can say that 100% of our exhibitors love the size of the chalets and comment on how nice they are - the best chalet I have event been in!"

INTRODUCING OUR COMFORTABLE CAMPING

So your guests have always loved the thought of attending your music festival but the idea of hauling a tent and setting up is not their idea of fun! Their festival experience can now be enjoyed with dry clothes, a comfy bed and more time to listen to their favourite bands. Your guests can now simply turn up and enjoy a comfortable camping experience in one of our Festihuts! They'll have their own bed, power point and light - most importantly it doesn't matter if it rains.

UP TO 4 FESTIHUT BEDS
OPTIONAL POWER PACKAGE

- At Chalet Events we know what makes a festival special and we have everything you need to make sure it's one to remember. We can offer the solution to all your complex festival event problems.
- A Festihut is a cosy little wooden chalet with a locking door, a small window and is equipped with bed(s)/ bunk bed(s) and mattresses.
- Festihuts can be built into VIP Festivillages where festival goers can relax in bars, restaurants and even Jacuzzis!

"We used Festihuts at our event for the first time this year and we're thrilled with the outcome. We accommodated our staff in them for the week, who really enjoyed staying in them. We used them for our Information Hut, Registration Hut and storage - they are very versatile! We are absolutely going to be using them at our event next year."
